

		D			H		
		1	2	3	1	2	3
Nitrogen	Urea transporter						
	Nitrate/ite transporter						
Phosphorus	Inorganic phosphate transporter						
	Alkaline phosphatase						
	Glycerophosphoryl phosphodiesterase						
Vitamins	Adenosylhomocysteinase						
	Phosphomethylpyrimidine synthase						
	Homocysteine methyltransferase						
Iron / Metals	Fe complex transport system						
	Fe/Zn/Cu transport system						
	Co/Ni transport system						
	Zn transporter
